You are welcome to join us for tea, cake and conversation about death. The aim of the Death Cafe movement is to increase awareness of death in order to help people make the most of their finite lives.

Death Cafes are open to everyone and offer an open, respectful, confidential and non-hierarchical space for a group directed discussion of death with no agenda, objectives, advertising or themes.

They are **not** grief support or counselling sessions.

The event is free. Booking is essential.
