

ANNOUNCEMENT

Appointment of Operations Coordinator

The Trustees are pleased to announce the appointment of Lorna Gough to the new role of Operations Coordinator.

Lorna joins us from the Stroke Association where she is Volunteering and Community Officer. In that role she is responsible for the recruitment, training and management of the volunteers in the support groups in Suffolk, Norfolk and Cambridgeshire.

Before this she worked in a volunteer and operations development role at the Cambridge Past, Present and Future charity.

Lorna will work for Azra, and be responsible for the recruitment, training and management of the volunteer team needed to support the operation of the Centre. This includes a new team responsible for general office admin, GDPR, financial admin and social media. She will join us on 6 January.

Her appointment will help to create the resources needed to pursue opportunities for growth and provide greater strength-in-depth ensuring that the Centre can operate effectively at all times, particularly during holidays and times of sickness.

Please welcome Lorna to her new role.
